

Confidentiality Agreement

This agreement is made the day of 2011

between High Force Research Ltd.
 Bowburn North Industrial Estate
 Bowburn
 Durham DH6 5PF, "HFR"
 Registered in England, No. 2248615

and

and shall remain in force for a period of 10 years.

1. The purpose of this agreement is that proprietary information on compounds, processes, customers and business plans 'the information', shall be exchanged between the parties for the purpose of assessing the feasibility of collaboration.
2. The information which may include formulae, samples, data, technology, know-how, commercial and financial information shall remain the property of the Discloser.
3. The Recipient undertakes to treat the information disclosed under this agreement as strictly secret and confidential and undertakes not to disclose the information to any third party without the prior written consent of the Discloser, nor to use the information save for the purpose of this agreement.
4. These undertakings shall not apply to:
 - (a) Information that was in the possession of the Recipient at the time of disclosure as proven to the reasonable satisfaction of the Discloser.
 - (b) Information that is or comes into the public domain other than through the fault of the Recipient.
 - (c) Information received from a third party who has the right to it and has not obtained it under secrecy from the Discloser.

5. The Recipient shall at the written request of the Discloser return the information supplied.
6. This agreement is governed by the laws of England.

Acceptance of these terms is confirmed by the following representatives with effect from the date of this agreement.
